

ALIGNING WITH THE JUBILEE CALENDAR – A CASE FOR RETURNING TO THE FOUNDATIONAL PATTERNS OF YAHUAH:

*And he shall send Jesus Christ, which before was preached unto you: **21** Whom the heaven must receive until the times of restitution of all things, which God hath spoken by the mouth of all his holy prophets since the world began (Acts 3:20-21).*

Since the past few weeks this scripture has been playing in my heart as the Lord has been constantly opening up new issues that has challenged the very foundation of how I have understood scriptures and the very outline of the word of God.

From the beginning, God enshrined His fundamental foundations and patterns in the heavens as an eternal witness for people of all ages.

We see this in the very first Chapter of the Book of Genesis.

*And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: **15** And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so. **16** And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: [he made] the stars also. **17** And God set them in the firmament of the heaven to give light upon the earth, **18** And to rule over the day and over the night, and to divide the light from the darkness: and God saw that [it was] good (Gen.1:14-18).*

This scripture is simply saying that the Sun, moon and stars were placed in the heavens to be the YHVH's Time piece and Calendar for the nations.

The next thing that the Lord did was to inscribe the message of His eternal counsel for creation in the heavens.

This heavenly scroll is called the Mazzaroth in Hebrew or the Zodiac in English.

The Zodiac was later corrupted by the union of the sons of Cain with the sons of God, and the corrupt version spread to the nations following the Genesis 11 Babel rebellion under the leadership of Nimrod the son of Ham.

This heavenly scroll is the foundation for all prophecy. God showed this scroll to Adam and Adam taught His generations until it was passed on to Noah.

Noah preserved the scroll after the flood and passed it through the line of Seth to the Patriarchs.

The Ancient prophets of Yahuah prophesied as they looked heavenward and observed the speaking of this Eternal Gospel written in the stars.

These are the Ordinances of Heaven. Remember, Yahuah asked Job:

Knowest thou the ordinances (fixed order) of heaven? canst thou set the dominion thereof in the earth (Job 38:33).

The seven Feasts that God ordained for believers of every generation are enshrined in this scroll.

The Feast are:

- i. Feast of Passover.
- ii. Feast of Unleavened Bread.
- iii. Feast of First fruits.
- iv. Feast of Pentecost.
- v. Feast of Trumpets.
- vi. Feast of Atonement.
- vii. Feast of Tabernacles.

These seven Feasts form the foundation for God's cyclical plan for the blessing of mankind.

Satan understands this and Satan knows that in order to distort the plan of God for man and gain some time for himself as ruler of the present age, he has to distort God's calendar and in that way distort time.

*And he shall speak [great] words against the most High, and shall wear out the saints of the most High, and think **to change times and laws**: and they shall be given into his hand until a time and times and the dividing of time. **26** But the judgment shall sit, and they shall take away his dominion, to consume and to destroy [it] unto the end (Dan.7:25-26).*

DISTORTION OF TIMES AND PATTERNS:

The issue of Times and Seasons are foundational ordinances that God enshrined in the heavens to govern the earth.

The only way satan has been able to gain control of the earth is by the manipulation of the heavenly scroll to distort Times and seasons.

This is the cumulative effect of these scriptures if we state them side by side and probe into their meaning.

Gen.1:14-18

Is.24:5-6

Jer.31:35-36

Jer.33:20-21. 25

Job 38:33

Dan.7:25.

To achieve a departure from the foundations of God, satan knows that he has to have a substitute for godly foundations and patterns.

A good example in the Old Covenant is found in the Book of Kings during the era of Joraboam as Israel's king.

25 *Then Jeroboam built Shechem in mount Ephraim, and dwelt therein; and went out from thence, and built Penuel.*

26 *And Jeroboam said in his heart, Now shall the kingdom return to the house of David: **27** If this people go up to do sacrifice in the house of the LORD at Jerusalem, then shall the heart of this people turn again unto their lord, [even] unto Rehoboam king of Judah, and they shall kill me, and go again to Rehoboam king of Judah. **28** Whereupon the king took counsel, and made two calves [of] gold, and said unto them, It is too much for you to go up to Jerusalem: behold thy gods, O Israel, which brought thee up out of the land of Egypt. **29** And he set the one in Bethel, and the other put he in Dan. **30** And this thing became a sin: for the people went [to worship] before the one, [even] unto Dan. **31** And he made an house of high places, and made priests of the lowest of the people, which were not of the sons of Levi. **32** And Jeroboam ordained a feast in the eighth month, on the fifteenth day of the month, like unto the feast that [is] in Judah, and he offered upon the altar. So did he in Bethel, sacrificing unto the calves that he had made: and he placed in Bethel the priests of the high places which he had (1Kng.12:25-28).*

From this scripture we see that to institutionalise idolatry and subvert the patterns of God, the following conditions must be met:

- a) Create a god.
- b) Raise an altar.
- c) Ordain a Priesthood.
- d) Inaugurate a feast.

The Romans did these four things and more and foisted it on the world during the Catholic Era (See Rev.6:1-2).

- The Gregorian Calendar: Are you aware that the Gregorian Calendar is institutionalized idolatry. Every month in the Calendar corresponds to a god worshipped on equivalent day. So also all the days of the week.
- The Council of Nicea programmed the world into idolatry in the following ways:
 - Changing foundational doctrines of the faith outside the provision of the word of God. Salvation by faith, substituted to salvation through papal affirmation and prerogative.
The popular teaching on Trinity is based on the concept of the three in one god that is the veneration of Nimrod, Semiramis and Tammuz that goes by different names in different cultures.
Changing the ordained feasts of Yahuah and replacing it with Pagan Feasts.
 - i. Easter: Feast of Ishtar
 - ii. Christmas: Worship of Baal or the sun diety.
 - iii. The weekdays and the months named after pagan gods.
 - Raising an Altar (The Cross) that is unknown to scripture:
I know we have believed that the cross is the means of Yahusha's crucifixion and as such is the Altar at the foundation of our faith.
The Catholic concept of the cross is different. What is popularized as the cross is actually the Nimrodiac concept of the line of the Equinox in the Zodiac that is reflected in pagan religions in all cultures.
Looking at the scriptures, what is written is that the Messiah would be hung on a Tree (See Deut.21:22-23, Gal.3:13-14).
 - Ordaining a Priesthood outside the patterns of scripture and the imposition of strange conditions like celibacy (See 1Tim.4:3) with full Babylonian garments.

THE ENDTIME GENERATION MUST ALIGN:

Are you aware that the Church Age has ended and we are at the dawn of a new Age.

An astronomical phenomenon that happens every two thousand age to signify the end of an Era happened on September 23, 2017. The sign of the son of man spoken of in Matt.24:30 was fulfilled in that day.

In Rev. 12, John was referring to the same phenomenon when the sun entered into the celestial house of the constellation of Virgo and literally lived in her chambers for 42 weeks which is the gestation period for man.

And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads. And his tail drew the

third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born. And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne (Rev.12:1-2).

On September 23, 2017, the constellations lined up in such a way to fulfill this sign.

The sun was in the constellation of virgo – “A woman clothed with the sun.”

The moon was at the feet of virgo – “with the moon under her feet.” The nine stars of the Zodiac Constellation (Leo), plus three planets (Mercury, Venus and Mars) was at the head of Virgo – “On her head a crown of twelve stars.

The planet Jupiter was at the center of Virgo and some weeks after September 23, 2017 exited Virgo to the East past her feet completing the picture of delivery of a man child as portrayed in that scripture.

Diagram:

For me this event was quite significant because on the same date, without planning it but sovereignly guided by YHWH, we were at the Eastern Gate, proclaiming that YHWH reigns over our nation, at the Solemn Assembly for the Eastern Gate that the Lord commanded us to have.

As we speak, the planets are aligning in ways that speak directly to us to align to the patterns and foundations of God. In a phenomenon that happens rarely, these four planets, Mars, Halev Shel-Avah (Pluto), Saturn and Jupiter are presently in perfect alignment.

GOD'S CALENDAR:

From what we have learned from scriptures (including some inspired manuscripts that were not canonized like the Book of Enoch and the Book of Jubilees), God reckons time in cycles of Seven.

These cycles reflect the Seven Ordained Feasts of Yahuah for believers in every generation.

This is actually the major secret behind the blessing of Israel that was passed through Abraham.

God arranged Israel in such a way that they entered a cyclical period of sowing into the seven seasons that guaranteed a continuous cycle of harvests that covered the entire year.

Yahuah is giving us back this key as one of the foundations for the wealth Transfer that He has ordained to take place at this time.

This Calendar of YHVH is called the JUBILEE CALENDAR:

The Jubilee Calendar is still work in progress but it will look something like this Diagram.

Diagram A

This wheel is simply a component of God's calendar to illustrate the agricultural cycles. IT IS NOT THE CALENDAR.

THE IMPLICATION:

It is important to emphasise that keeping or not keeping this Calendar does not affect the basic issue of our salvation.

No one will go to hell for failing to observe the Calendar.

It will however be helpful for those who want to experience the full measure of YHVH's blessing especially in the market place and ministry to align with His calendar.

When we align with Yahuah's Calendar we are carried by His own wave and do not have to always try to generate our own wave or swim against the tide.

To fulfill Yahuah's promise to Abraham, He had to align Israel to the Heavenly scroll.

See Gen15:3-5, Num.2, Num 10 and Rev.21.

This is how Yahuah has ordained for especially sheep nations to function.

I have a drawing that I am attaching to this write-up to stress the importance of the heavens and how the heavens control nations.

It is a write-up and drawing of the British landcape Zodiac.

This is how Britain controlled the entire inhabited earth at a certain point in history.

Two Zodiacs influence Nigeria:

- a) The British Zodiac projected through the trio of Taubman Goldie, Lord Luggard and Flora Shaw.
- b) The Arabian Zodiac projected through Usman Danfodio that enables Fulanis to dominate today.

The job of Priesthood at this time is to dislodge these two Zodiacs and plant Yahuah's original Mazzaroth and Trading Floor.

I dare say also that the Chinese are projecting to institute the Chinese Zodiac latest by 2022.

If we allow this to happen, we will be enslaved again and the later enslavement will be more deadly than the former.

These are the current issues for today and only a Priesthood in the Order of Melchizedek can address this.

ADVANTAGES OF GOING BACK TO THE JUBILEE CALENDAR:

- i. We re-connect back to the heavens as designed by Yahuah.
- ii. We show in so doing that His Sabbaths and appointed times are a delight to us.
- iii. We have the benefit of a more open and favourable heaven.
- iv. Continuous harvest cycle as a result of a heavenly timed cycle of sowing.
- v. It is a necessity for sheep nations as it brings them into the pattern of the kingdom Age.
- vi. The unleashing of the blessings of Abraham.
- vii. Functioning according to heavenly Order.
- viii. We watch for Yahusha's Second Coming as these cycles ultimately point to it.
- ix. It is the Gospel of the Kingdom.

I am trusting the Lord to give us more light in this regard and help us to align.

HOW DO WE ALIGN?

God has established His covenants to bless His people with the day and night and fixed the order of blessing His people with the seasons, appointed times in the heavens. His seasons are mo'eds or mo'edim, meaning Yahuah's appointed days or holy days and are tied to agricultural seasons.

God is a farmer and so is the businessman or woman. Business is also about planting and harvesting. As we learn the fixed order of planting and harvesting and take instruction on how to apply them in our day, we align with the ordinances of heaven and receive the intended blessings from our Creator. This does not mean that we are to throw away the leading of the Holy Spirit of Yahuah as He leads us to sow during

periods outside of the set ordinances. Keeping to the seasons and appointed times is believed to be one of the reasons the Jews have been blessed all through the years.

The Lord is giving us especially those in the market place an opportunity of sowing into the Feast Cycles.

Passover is past, but we can sow into the First Fruits of Barley Harvest season in early May and fully participate in the Feast of Pentecost.

We will give more light to those who are interested in connecting to the Calendar.

In Yahusha Ha-Mashiach.
