## THE BURDEN OF ISAAC PART 1.

*The burden that Habbakuk (Isaac) the prophet did see (Hab.1:1).*

Today, I bear the prophet's burden.

The Lord woke me up by 3am this morning and took me through a short but incisive review of the word that He has given us concerning Nigeria starting from 2003.

He brought me to 2013 and asked me to read again our Message to the Church written on 9-11-13 and published on 12-12-13.

As I read, the Lord began to deal with me and also write His instructions in my heart enabling me to see clearly that there is nothing happening today the Lord did not foresee. It is true that the Lord will NEVER do anything in any land without revealing His purpose to His servants the prophets (Am.3:7).

As I bear the prophet's burden the nation and the people also have their own burden: Their burden is when the genuine prophets speak, do they listen?

If they listen do they hear?

If they hear do they take heed?

If they take heed do they act and give obedience?

Do they even recognise that those that have the word of the Lord in this generation are hidden vessels? Not very known names, as part of the Lord's wisdom to try our hearts and test our spiritual state.

What I saw grieved my heart but also gave me hope because the Lord spoke to me clearly this morning and restated what we must do NOW:

First, let me share a portion from the word of the Lord we published in November 2013 titled A MESSAGE TO THE CHURCH (This word is still available online through our website, [www.messengerlist.org](http://www.messengerlist.org)):

### PREPARE, WE ARE IN THE MIDST OF HIS JUDGMENT AND THE INTENSITY WILL INCREASE IN 2014:

In 2010, the Lord showed us that He would judge our nation Nigeria for a period of seven years starting from 2011. (See my book, The Days of the Black Horse Rider). He was judging our national sins of idolatry, wickedness, shedding of innocent blood, corruption and massive injustice. He asked me to declare this word openly in 2012, and I did so in Abeokuta at the meeting of Womb of Intercession International Fellowship (WIIF) where I was invited to speak. The leader of WIIF is on our platform and she can confirm or comment.

He asked us to publish a warning to twelve selected leaders of the Church that **Boko Haram violence and other issues plaguing Nigeria were not accidents, but acts of His judgment against our nation.** The Church was failing because it has fallen asleep and lost focus, and as such was indirectly responsible for the state of our nation. I wrote the twelve selected leaders privately and gave them the word of the Lord that they were to send at least **three hundred missionaries to the North East as the Lord commanded me.** I do not know what they did with the word because I was asked to give

the word and I did it prayerfully and with much trembling. He sent us to go and pray and raise altars of light at some flash points in our nation and we did our part of the assignment with much prayer and trembling.

June 2014 would be the middle of this three year period of judgment and I fear and tremble because of what I was shown concerning June 2014 and following:

### **SEEING INTO HEAVEN:**

While the Lord brought me into His visions, I saw this scene in heaven. The Lord Jesus had His right hand raised, as if He was restraining somebody who wanted to do something drastic. While His right hand was raised, the person at His back could not move. With His hand still raised He looked down into the earth, and turned His head away because He was not pleased with what He saw.

He did this three times and at the third time His hands dropped and He started walking away weeping. At that time I saw that an angel was at his back with a bowl that contained something he wanted to haul on the earth. While the angel was approaching to haul this bowl on the earth, the vision was taken from me.

When I prayed and meditated about this, the Holy Spirit directed me to Rv.16:4-6.

*“And the third angel poured out his vial upon the rivers and the fountains of waters, and they became blood. And I had the angel of the waters say, Thou art righteous O Lord, which art, and wast and shall be because thou has judged thus. For they have shed the blood of saints and prophets and thou hast given them blood to drink, for they are worthy.”*

This scripture struck me because the Lord has been sending us to rivers, oceans, lakes and bodies of waters to go and pray and raise altars unto Him. We have gone to Kusugu wells in Daura katsina state. We have gone to Iwopin waterside in Ogun State, River Niger in Anambra State, Akamkpa River in Cross River State, Lagos Lagoon (Unilag area) in Lagos state. We have even gone as far as the Sea of Galilee in Israel raising altars and passed through The Lake in Aso Rock as the Lord made way. Here we were coming out from the confluence of two rivers in Aguleri and the Lord was talking about igniting a judgment by striking the rivers that would result in bloodshed among the nations. Could it be that by sending us to these rivers, the Lord was asking us to mark a part for the angels that would execute these judgments so that their strike would be precise and targeted like the guided missiles of the Americans? I am also aware that the Lord is sending other foot soldiers on these missions so a lot of preparation and care has gone in to minimize collateral damage because of the abundant mercies of God. also, because of the prayers of the saints who are still standing in righteousness in the midst of much idolatry and backsliding.

Hear now the word of the Lord and His judgments:

### **JUDGMENT IN THE CHURCH:**

- a) The Lord is bringing a Change of Order in the Priesthood. As from 3<sup>rd</sup> November 2013, the Lord has withdrawn His mercies from Priests who insist on continuing the Aaronic Preisthood (with its repetitious sacrifices that does not result in genuine repentance) because it cannot respond to the challenges of today. See Heb.7:11-16. The Lord had often cried about the attitude of this order of Priesthood in our midst and has born with them for some time. See Pg.37 to 43 of my book, ‘In The Master’s Presence.’ Thus saith the Lord:

*Tell those ‘tithe and offering’ pastors’ that I have vomited them out of my mouth already (See Rv.3:16) having failed to repent after repeated warnings. They should fight now for their personal salvation or they will go to hell apart from losing their ministry. Son, I am about to scatter many gatherings in my name that has become prison houses and houses of iniquity. I can no longer bear it.*

- b) The Lord has instituted and empowered a New Order of Priests in the order of Melchizedek. Like the House of Saul, those who insist on going on with their

own patterns because it profits them personally will continue to go down. The Lord is raising Moses' among the Priesthood, who will show us again the pattern for building the House of God. This Melchizedek Priests will not operate after the order of carnal commandments, but after the power of an endless life. This means, that they will once again make the Holy Spirit the center and leader of the Church as the Lord intended. Through their ministry, the Lord will revisit our foundations, weed out the patterns of men and graft us into the apostolic foundation which is Christ's intention for His Body, the Church. (See Ezk.43:7-18; Eph.2:19-22; Rv.21:10-13).

All these 'one-man-ministries' founded by one man, run by one man (and possibly his wife and a few subservient friends) as a personal kingdom will start crashing. If you have that type of ministry, go to the Lord in prayer and ask him what to do to make your present house a part of His own House otherwise you risk losing all including your life and if care is not taken your salvation.

c) **The 10/40 Window Commission:**

The **10/40 Window** is the rectangular area of North Africa, the Middle East and Asia between **10** degrees and **40** degrees north latitude. This group of about 51 countries has resisted attempts by committed missionaries to evangelise or reach. Even though some countries in this window were originally Christian nations (like Turkey), for some reason it has become totally anti Christian. In some of the nations (like Saudi Arabia) it is an offence to be in possession of the Bible. Yet the word of the Lord must be fulfilled - that the Gospel of the Kingdom would be proclaimed in all inhabited earth before the end comes (Matt.24:14).

I tell you now the word of the Lord that this entire area has not been evangelized successfully because it is Africans especially Nigeria and to some extent South Africa that will do the job. Thus saith the Lord to Africa concerning the 10/40 window:

*“As you have painted and polluted the landscape of the most beautiful view in my creation with idols, I am also giving you opportunity to present Me an acceptable offering in the manner of the sacrifice presented to me by your Father Noah, when I redeemed him from the ruin of his own generation” (See Gen.8:20-22).*

**JUDGMENT IN THE NATION:**

- a) I see blood being shed in such a frightening measure that if The Lord's anger is not assuaged through **genuine repentance**, then I am afraid for my nation. As I prayed and asked the Lord to stop it, He said it must be done. This were my recorded conversations on this matter:

*Rv.22:7: “Son, blood will be shed in your nation. I have refrained Myself enough but they have pushed Me to breaking point and if it is not done, many more souls will be lost and My kingdom will suffer more. Prepare for bloodshed. Some people must die violently for My purpose for your nation to stand.*

*Rv.1:7: Hearing June 2014 in my spirit.*

*Rv.22:7: ‘As from June 2014, prepare My people for war. Prepare for blood. Many will die. Many will be hurt. Many will be wounded.*

*Rv.1:7: Lord, make it a quick work and protect your people. Use a precise instrument and strike only those who are deserving of death. May there be little or no collateral damage.*

*Turn it around for our good and use it as a seed for genuine revival that will draw many to you and keep them in your love.*

*Rv.22:7: I am the one giving you the prayers and I will do it. Always pray it ahead of time and encourage My people to pray it. @4:28am 9-11-13.*

*Rv.1:7: (Rejoins the order of David in their worship: Alpha, Omega, you are worthy of our praises today!!!)*

I do not yet know the nature of this judgment whether it will be a **bloody coup** or **natural disaster**, but blood will be shed. It is not enough to say pray, but we should ask the Lord what we are to pray, but beyond that, who are the people praying? We should stop this anything goes Pentecostal rascalism that appears to be the order of the day, and come back to sanctification and genuine consecration so that the Lord can hear us. May the Lord help us.

When I finished reading this word and going through some of the Lord's dealings, I was short of words.

But the Lord began to write His instructions in my heart.

He reminded me that no one takes the honour of being a national prophet to Himself and reminded me that it was a matter of His choice and sovereignty. Just like He used us to announce the period of judgment, He will also use us to bring the phase of judgment to a close. I do not make these statements lightly or in self will. Those who know me that we do not touch the Lord's honour or glory. Also it is not humility for one to deny who he is called to be. He reminded me that he used Elijah to announce the period of Israel's draught and also used Elijah to announce the end of the draught. (See 1kngs 17:1; 1Kngs 18:1)  
That is His way and His wisdom.

The first step that the Lord would want us to take as a Remnant Church is to gather the women and speak to them in His Name. God has true apostolic Fathers in this nation that He has reserved and hidden for this time, with His word in their mouth to recreate the nation (See Is.51:16). We must have some of these Fathers impart the mothers and release them into their role. God is asking the mothers to lend Him their womb to travail for the birth of a new nation. The first of such meeting will hold in Lagos on June 29. We invite as many burdened mothers as can come to be a part of it. Pre-registration is required. You can register through our website or contact our admins to be registered.

The Lord also reminded me of what He has taught us concerning His principle of establishment. I shared the insight He gave in a new book that will be out this year – The Gospel Battle of the Last Days.

#### **God's Principle of Establishment:**

We see this principle of God's way in John 12:24: Jesus declared; <sup>24</sup>*Verily, verily, I say unto you, Except a corn of wheat fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit.*

When God says He will glorify a thing or make it a thing of beauty, it is safe to assume that the thing will die first before being resurrected in beauty. Jesus had to die before His resurrection and anything that will receive His life may have to pass through the same process. The Lord showed me three stages in the evolution of Nigeria before it could fulfill its destiny. The stages are:

- a) Travail.
- b) Death
- c) Rebirth or resurrection.

The travail phase has been ongoing but intensified in the nineties and possibly climaxed at the millennium in 2000.

**The death phase is talking about the seven year period of judgment that the Lord asked me to declare starting from 2011, and hopefully ending in 2018, if we respond aright. During this period the Lord would judge our national sins of idolatry, mammon worship, wickedness, injustice and pride. Part of the judgment would be through violence, general insecurity and famine.** If you read my book, *The Days of the Black Horse Rider*, you will see that the Lord revealed these things since 2003, and events in Nigeria including the Boko Haram insurgency has unfolded as He revealed.

We are in 2019 and the death phase that was supposed to end in 2018 is still ongoing and becoming more intense.

The only reason for this is that we have not gotten the message neither have we offered the Lord genuine, deep and acceptable repentance.

The resurrection phase should have started since 2018 by which time the David of God would have been sitting on the throne of Nigeria.

Therefore we must cry with desperation because we are behind divine timing.

There is no answer to some national challenges until the David of God is sitted on the throne. This is the plan of God and we must not deceive ourselves.

The time of David on the throne will mark a period of remarkable growth for our nation and would have the following features: Psalm122:5

- Renaissance (Revitalisation) – Discovery of hidden wealth (See Isaiah 45:3)
- Resurrection: Some dead things including national assets like Ajaokuta Steel complex, power and moribund infrastructure will come alive.
- Restoration.

All these phases must be carried in intercession through travailing, weeping and groaning. Otherwise the enemy will hijack the process as they are poised to do in Nigeria through the Army of hell amassing in the northern gates.

My main purpose in setting out these things is to enable us have understanding. It is wrong prayer to be asking God for prosperity at a time that God is raising the issue of our national sins. The only proper response to God in such season is **repentance in sackcloth and ashes**. This is why the Lord was angry with the children of Israel, when they were offering the wrong prayers at the time He was raising the issue of their national sins. The Lord protested bitterly to the prophet Jeremiaiah:

*I hearkened and heard, but they spake not aright: no man repented him of his wickedness, saying, What have I done? every one turned to his course, as the horse rusheth into the battle.” (Jeremiah 8:6).*

I personally think that there should be a national ban of at least seven years on the preaching of the prosperity gospel that we copied from America. Also we should put away our loud sensual music and learn how to humble ourselves before the presence of a holy God. If we do all these with all our heart, the period of death will be shortened. The Lord always responds in mercy to genuine repentance. My personal conviction from everything the Lord has shown is that He can still end the death phase in 2019.

I personally do not see the present order going till 2023. Unless there is not a Remnant in Nigeria, and unless there are no longer any prophets. But I know there is.

The next things the Lord is asking us to do are connected to the Middle Belt or Plateau area of Nigeria. The Lord’s instructions are clear.

God has invested a measure of strength in the Middle Belt area to deliver the nation from the woods.

If we ignore the Voice of wisdom we will pay a heavy price for our ignorance or self will eventually.

Those who have the latest edition of our Book, God’s Eternal Plan for Nigeria can read from page 196 to 199 (MATTERS ARISING) to catch the Lord’s heartbeat and be a part

of the answers. You may have heard about our intervention project in the Middle Belt Area tagged the PLATEAU PRAYER PROJECT (P.P.P).

In part 2 of this message I will highlight this again for those that are part of the Remnant that are willing to obey the voice of the Lord and add work to their faith so that it becomes a living instrument.

I must end this short piece in a positive note.

Don't give satan the credit for what is happening in Nigeria today. We need to pray that satan does not hijack it and exceed.

All that is happening is God tightening the screw to cause an awakening for the sake of His Eternal Plan which we are delaying.

Prayer, the kind that we mostly pray in Nigeria that avoids the issues cannot save us from the situation. In fact, David one of the most exemplary believers of all ages prayed rather to fall into the hands of God.

One of the sins we should repent from is the sin of presumption:

This is my definition of presumption:

*Banking on divine performance without meeting divine standards and conditions.*

The Church in Nigeria is full of this.

We must take hold of instructions. Let me end with the preacher's word:

*Take fast hold of instruction; let [her] not go: keep her; for she [is] thy life (Pr.4:13).*

Wishing that the Pharaohs will go away without doing what the Lord is requiring from us is being naïve. It will not get us anywhere.

Indeed the Pharaohs and the Northern Army are part of His whip to whip us into line. It has always been the way of God with His people into line using the Northern Army. We will throw more light in part 2.

The assurance of the Lord for the Remnants is in Ps.37:

***Rest in the LORD, and wait patiently for him: fret not thyself because of him who prospereth in his way, because of the man who bringeth wicked devices to pass. 8 Cease from anger, and forsake wrath: fret not thyself in any wise to do evil. 9 For evildoers shall be cut off: but those that wait upon the LORD, they shall inherit the earth (Ps.37:7-9).***

Pharaoh is NEVER the issue. If we do what the Lord is requiring the Pharaoh and other Pharaohs will simply expire because even now, the Lord has not given them the throne. They are just working from a seat around the periphery of the throne but not sitted on the Throne.

In part 2, I will publish the vision of the state of the throne that the Lord showed me in 2015. The status has not changed.

May the Lord grant it to us to remain relevant to His eternal plan for the nations:

May the Lord NOT set aside our nation or our generation:

In Christ,
